PROFILE

To offer expertise in creative design solutions as an experienced multimedia graduate with strong artistic and communication skills with a demonstrated ability to meet deadlines and work well in fast-paced or demanding environments.

EXPERIENCE

GRAPHIC DESIGN INTERNSHIP

Portland Urban Pages Magazine, 2007-2008 / Portland, OR

- Collaborated with creative group to redesign layout and template of magazine, marketing it's new identity and improving sales.
- Selected as lead designer responsible for the 2008 issue's cover artwork and design.

MULTIMEDIA DESIGNER

University of Oregon, 2005-2007 / Eugene, OR

- Designed posters, programs, T-shirts, and created online promotional videos for the university's Foreign Language and International Studies Day which averaged 1,000 participants each year.
- Photographed university events and provided revised digital copies for web use.
- Designed advertisements promoting study abroad programs for the International Studies Program.

TECHNICAL CONSULTANT

University of Oregon, 2004-2007 / Eugene, OR

- Assisted faculty members with extensive variety of multimedia projects, including web production, video editing, disk cloning, template design, and digital imaging review and revision.
- Provided excellent and professional customer service to all of our clients.
- Assisted and lead workshops, instructing faculty members, in Adobe Photoshop, InDesign and Illustrator geared toward classroom implementation during intensive summer media workshops.
